This includes employees and students who are properly licensed to keep pistols or firearms in a motor vehicle in accordance with Minnesota Statute. No person shall use articles designed for other purposes (i.e., lasers or laser pointers, belts, combs, pencils, pens, files, scissors, etc.), to inflict bodily harm and/or intimidate and such use will be treated as the possession and use of a weapon.

- C. “Possession” means having a weapon on one’s person or in an area subject to one’s control in a school location.

IV. EXCEPTIONS

- A. A student who finds a weapon on the way to school or in a school location, or a student who discovers that he or she accidentally has a weapon in his or her possession, and takes the weapon immediately to the principal’s office shall not be considered to possess a weapon. If it would be impractical or dangerous to take the weapon to the principal’s office, a student shall not be considered to possess a weapon if he or she immediately turns the weapon over to an administrator, teacher or head coach or immediately notifies an administrator, teacher or head coach of the weapon’s location.
- B. It shall not be a violation of this policy if a nonstudent (or student where specified) falls within one of the following categories:

 - b. Section 97B.045 generally provides that a firearm may not be transported in a motor vehicle unless it is (1) unloaded and in a gun case without any portion of the firearm exposed; (2) unloaded and in the closed trunk; or (3) a handgun carried in compliance with §§ 624.714 and 624.715.

C. Policy Application to Instructional Equipment/Tools

While the School District does not allow the possession, use, or distribution of weapons by students or nonstudents, such a position is not meant to interfere with instruction or the use of appropriate equipment and tools by students or nonstudents. Such equipment and tools, when properly possessed, used, and stored, shall not be considered in violation of the rule against the possession, use, or distribution of weapons. However, when authorized instructional and work equipment and tools are used in a potentially dangerous or threatening manner, such possession and use will be treated as the possession and use of a weapon.

D. Firearms in School Parking Lots and Parking Facilities

A School District may not prohibit the lawful carry or possession of firearms in a school parking lot or parking facility. For purposes of this policy, the “lawful” carry or possession of a firearm in a school parking lot or parking facility is specifically limited to nonstudent permit-holders authorized under Minn. Stat. § 624.714 to carry a pistol in the interior of a vehicle or outside the motor vehicle for the purpose of directly placing a firearm in, or retrieving it from, the trunk or rear area of the vehicle. Any possession or carry of a firearm beyond the immediate vicinity of a permit-holder’s vehicle shall constitute a violation of this policy.

V. **CONSEQUENCES FOR STUDENT WEAPON POSSESSION/USE/DISTRIBUTION**

A. The School District does not allow the possession, use, or distribution of weapons by students. Consequently, the minimum consequence for students possessing, using, or distributing weapons shall include:

1. parent or guardian notification;
2. confiscation of the weapon;
3. immediate notification of police;
4. immediate out-of-school suspension;
5. recommendation to the superintendent of dismissal for a period of time not to exceed one year.

B. Pursuant to Minnesota law, a student who brings a firearm, as defined by federal law, to school will be expelled for at least one year. The School Board may modify this requirement on a case-by-case basis.

C. Administrative Discretion

While the School District does not allow the possession, use, or distribution of weapons by students, the superintendent may use discretion in determining whether, under the circumstances, a course of action other than the minimum consequences specified above is warranted. If so, other appropriate action may be taken, including consideration of a recommendation for lesser discipline.

Depending on the circumstances, the person may be barred from future entry to school locations. In addition, if the person is a student in another school district, that school district may be contacted concerning the policy violation.
