

**DISTRICT CODE: 652  
LEARNER TO TEACHER RATIOS**

*Policy reflects Minnesota statute and aligns with other District 270 policies.*

**I. PURPOSE**

It is the intent of the Board of Education to allocate staff in a manner that will be educationally sound, instructionally appropriate, and fiscally responsible. Conditions which impact class size decisions include:

- Classroom, facility, or supply constraints
- Funding and financial crises
- Availability of licensed staff
- Curriculum and instructional considerations
- Student enrollment and demographics

The superintendent, or designee, shall keep the School Board informed of elementary and secondary class size and learner/teacher ratio through semi-annual reports.
